(2011) mednarodnem natečaju za zborovske skladbe Ignacij Ota v Trstu, kjer je obkral prejel 1. nagrado in posebno priznanje za mladega skladatelja. Hanc volo, quae non vult,  
illam, quae vult, ego nolo,  
vincere vult animos,  
nec satiare Venus.  
Oblatas sperno illecebras  
detrecto negatas,  
nec satiare animum,  
nec cruciare volo.  
Nec bis cincta Diana placet,  
nec nuda Cithere,  
illa voluptatis nil habet,  
haec nimium.  
Callida sed mediae Veneris  
mihi vendicet artem  
femina, quae iungat  
quod 'volo nolo' vocet.

Her I would have who will not,  
and her, who will, I would not:  
Venus would vanquish,  
not satisfy, the heart.  
Charms offered me I scorn,  
depreciate those denied:  
I would neither sate my heart  
nor torture it.  
Neither twice-girt Dian pleases,  
nor nude Cythere:  
the one gives no delight,  
the other overmuch.  
Be mine a mistress skillfully  
to display the art of attempered love,  
who can unite what "I would,  
"I would not" mean."
